## CITY DEMOCRATIC COMMITTEE.

A meeting of the city democratic committee was held at the Opera House last night. Chairman Charles Bendheim presided.

It was stated that Alderman J. R. N. Cortin would not be a candidate for reelection from the Third ward if any competitor for the position entered the field. As Mr. Kenneth Ogden had announced himself a candidate, Mr. Cortin's name was not placed upon the ticket.

Letters from present Aldermen and Common Councilmen and others concerning their candidatures were read, after which the following resolutions were adopted:

Whereas, As on the 20th of April, 1910, the city democratic committee, by resolution, notified all persons desiring to become candidates for Councilmen and Aldermen in the respective wards of the city to notify the democratic committee on or before noon May 2, 1910, and

Whereas, the only persons complying with said resolution in the First ward are: Board of Aldermen—Jacob Brill; Councilmen—Hubert Snowden and C. R. Yates, and there being no opposition in this ward, they are by the city democratic committee, in compliance with the authority vested in them by the rules of the democratic party, hereby declared the nominees for the respective offices for which they are candidates.

And it further appearing to the democratic committee that in the Second, Third and Fourth wards of the city of Alexandria the only persons announcing themselves are: Board of Aldermen—Second ward, F. Marbury; Third ward, Kenneth Ogden; Fourth ward, C. J. W. Summers, the democratic committee, in pursuance of the power vested in them, declare them the nominees for the respective wards.

It further appearing that there is opposition for members of the Common Council in the Second, Third and Fourth wards, the city democratic committee hereby orders a primary election to be held in the foregoing wards on Wednesday, May 12, 1910, beginning at 12 m. and ending at 7 p. m., and that each candidate, regardless of whether he has opposition or not, be and is hereby assessed the necessary amount to defray the expenses incurred in the foregoing primary and that said assessment is payable on or before May 9 at noon.

The polling places will be opened at noon and closed at 7 p. m., and in each one, two judges and one clerk will be provided. The ticket is now as follows: First ward: Alderman, Jacob Brill, Common Council Hubert Snowden and C. R. Yates.

## MAKING EXCUSES.

Last night to an audience that filled the church and much of the gallery Rev. E. T. Wellford preached at the Second Presbyterian Church on "Making Excuses." His subject was the wedding feast and the excuses made by those who were bidden to come. He said there was a great difference between an excuse and a reason. That many made excuses for not being Christians, but few or none had reasons for not being.

He then took up some of the excuses offered by those out of the church, and showed that none of them would stand before the judgment bar of God. He said that many people stood off because they did not feel like coming to Jesus Christ, but that he had read all through the Bible and not once does it say a person must "feel in order to come." That all that God requires of us is an apprehension of our sinful and lost condition, and a realization that Christ is able and willing to save. That whoever cometh unto the Lord shall be saved. When the invitation was given to confess Christ a number of young people and several of middle age came out on the Lord's side.

Tonight Dr. Wellford will preach on "The Great If," John 4:10. The afternoon services at 3:15 are growing in popularity, and are attended by large numbers. Tonight the Westminster Quartette will sing two selections, and Miss Lucy Graves will sing a solo.

## THE CONDEMNED MEN.

The execution of Henry Smith, Eugene Johnson, Richard Pines and Eugene Dorsey, the four colored men convicted of the murder of Walter F. Schulz, a short distance west of this city, on the night of March 6, 1909, is fixed for next Friday. Those in position to know are unable to state whether or not Governor Mann will take any action in the case. In fact the governor has uttered nothing to signify that he has any intention of interfering with the carrying out of the mandates of the Corporation Court of this city. He may, however, take such action as will prevent all four of the men from being electrocuted on the same day.

## SAVED FROM DROWNING.

The driver of a wagon belonging to an Alexandria merchant had a narrow escape from drowning in Hunting creek yesterday afternoon. His hat blew from his head, and in endeavoring to catch it the man fell backward from the bridge into the water. Being unable to swim, he would have drowned had not Mr. Arthur Simpson, who was nearby, gone to his rescue. He was pulled out with much difficulty.

## OPERA HOUSE.

The famous "Automobile girls," who were seen last season with the "Wizard of Oz" company in Washington opened a three night engagement at the Opera House last evening and gave a performance which called for several encores at the end of their act. These ladies are usually slower in their line and reflect credit upon the management in bringing such an attraction to this city. Leonia Truitt, a dancing acrobat, is also a pleasing entertainer. Daily matinees at reduced prices are now being given.

## CONFEDERATE VETERANS.

R. E. Lee Camp Confederate Veterans held their regular monthly meeting at their hall last night, Commander Smoot presiding. The meeting was largely attended. Commander Smoot announced that he had secured as the orator for the memorial services to be held on May 24th, Hon. Charles B. Thomas, member of Congress from North Carolina. Mr. Thomas is considered one of the best speakers in the House of Representatives.

The committee on choir reported that all necessary arrangements had been made for the singing.

The report of the historical committee made at the recent meeting of the Grand Camp, U. O. V., held at Mobile, was read by the adjutant.

The commander appointed the following committees on the observance of Memorial Day, May 24th: General committee: G. Wm. Ramsay, P. E. Gorman, Jesse Murray, A. O. Wyckoff, Alex. Lyles and E. M. Latham; to assist the ladies at the monument, J. O. Milburn, Edgar Warfield and F. J. Davidson; on cemeteries near city: J. W. Hammond, W. H. Yeatman, Jno. S. Zimmerman, Jno. S. Blackburn, O. S. Taylor, E. O. Graham, J. P. Woody, R. F. Knox and J. H. Wiltshire.

St. Mary's Cemetery—P. F. Gorman, R. M. Latham and Levi Hurdle. Ivy Hill—Col. Arthur Herbert, George Wase, L. M. Blackford and Eli Janney.

On Commodore W. H. May—Comrades P. F. Gorman, O. S. Taylor and E. O. Graham.

On Commodore Beverly B. Mason—Comrades W. A. Smoot, E. C. Graham and G. W. Ramsay.

On Commodore J. W. Sutherland—Comrades G. W. Ramsay, Jno. R. Zimmerman and Jesse Murray.

## STRIKE AT THE BREWERY.

The rumors of a strike at the Potomac Brewery, referred to in yesterday's Gazette, crystallized into a movement this morning by which Alexandria was made the scene of a May-day strike, the employees in the various departments of the brewery walking out. They will await orders from the central body in Washington. As was stated, a new contract had been presented by the Brewery Workers' Union demanding increased wages and shorter hours. The company refused to the request for higher wages but were unable to grant shorter hours. Hence the strike. The brewery officials are employing other men to take the places of the strikers, and they say their business will suffer no material interruption from the walkout.

It is said that the employees at the brewery have no issue with the officials, who have granted an increase in pay, and if left to themselves, would not have quit work. They are, however, obeying the mandate of the leaders of the union in Washington with which they are affiliated. A committee of the employees of the brewery went to Washington today for the purpose of conferring with the union officials and for the purpose of entering into negotiations for settling the strike.

## BASEBALL NOTES.

On the north Alfred street grounds Thursday at 5 o'clock, the Cardinal Athletic Club will line-up against the Alexandria Athletic Club.

The Cardinals will play the Georgetown Olives on the old fair grounds, Saturday at 4:30.

In a game of baseball played yesterday afternoon between the Sunday school classes of J. T. Preston and James Williams of the First Baptist Church, the former defeated the latter by a score of 20 to 9.

Charters were granted yesterday by the State Corporation Commission to the following concerns:

The Restone Company (Inc.), Alexandria, A. Jackson, president; V. Burgess, vice-president; H. E. Deckman, secretary and treasurer—all of Washington, D. C. Capital: Maximum, \$100,000; minimum, \$1,000. Objects: Manufacture a brick "restone."

## PROMOTED.

Effective yesterday, E. O. Sasser, formerly master mechanic at Alexandria, was promoted to the office of master mechanic of the Southern Railway Company at Spencer, N. C. He succeeds W. F. Keady, transferred to the office of superintendent of motive power for the Georgia, Southern and Florida Railway. Mr. Sasser is a native of Raleigh, and was for several years shop superintendent for the Southern at Spencer, serving later as master mechanic for the same road at Charlottesville and Alexandria.

## THE OILY JAIL.

The committees on finance and public property, Judge Bailey and others met last night and with City Engineer Dunn, and Mr. B. F. Smith, architect, discussed plans for the improvement of the city jail. Mr. Smith was directed to prepare plans and estimates for such work and to submit them at an early date. It is proposed to tear out the interior of the present jail and construct proper cells therein at a cost of about \$8,000.

## THE HERRING.

Food prices are falling and it is said will continue to fall all over the country. This our fishermen are sure is due to the glut of herring in the Chesapeake. With fish so plentiful that they are in the way of the price of our food must fall. Thus does the humble herring sway the world's issues.—[Virginia Citizen.]

## FIRE ON GASOLINE BOAT.

The gasoline boat August Belmont, belonging to David Boker, living near Fort Washington, caught fire last night at the wharf of the Standard Oil Company, near Fighbown, and had to be sunk in order to save it from destruction.

## DECLARED INSANE.

Mrs. E. A. Gorman, Robt. L. Wilkins, and Justice L. H. Thompson yesterday evening held a commission on Sarah Ann Toliver, colored, an inmate of the almshouse, and declared her insane. She will be sent to an asylum.

## THE CENSUS.

It is said that the result of the census in Alexandria will be disappointing to many who supposed the figures would show substantial increases over those of 1900. At that time Alexandria was credited with having nearly 14,700 people. The returns this year, it is said, will show a falling off of over 500 in the population of Alexandria proper. The districts surrounding this city, however, have built up considerably in recent years, and former residents of this city, now reside in those portions of Fairfax and Alexandria counties. Alexandria is, of course, their city and the main depot of their supplies. It is hoped that the official returns may disprove the reports given above.

A., have been completed and the banquet is expected to be one of the handsomest ever given in this city. Among the speakers for the occasion will be Congressman J. T. Lloyd, of Missouri. Edward Will Meet Roosevelt. London, May 3.—Lord Knollys, private secretary of King Edward, today emphatically denied the report that the king was seeking an excuse not to receive Mr. Roosevelt personally when the latter visits London next month.

The story which went the political rounds Saturday evening and had been commented on freely ever since, based Edward's objection to receiving Roosevelt on his fear that the ex-president was creating a tremendous sentiment throughout Europe in favor of republican form of government.

"The king will meet Roosevelt," Knollys said to the United Press, "either at a luncheon or at a dinner that he will give in the ex-president's honor. The exact nature of the function has not been decided. You may say that the king looks forward with the greatest pleasure to meeting and entertaining Roosevelt."

Certificate of Reasonable Doubt. New York, May 3.—After imposing a sentence of not less than three years, nor more than seven in Sing Sing prison, upon Charles Katz, convicted of grand larceny, in connection with the Windsor Trust-Heilize copper deal of last summer, whereby \$10,000 worth of copper stock, hypothecated for \$60,000 with the trust company, was withdrawn and sold in the open market, Justice Macdonald rendered a certificate of reasonable doubt. He admitted Katz to bail in \$35,000 pending the review of the conviction by the Appellate Division. Katz is the son of Bernard Katz, owner of the Eastern Brewing Company, of Paterson, and reputed to be a millionaire.
